ANNOUNCEMENT

Ref. Products production site change of PU series (0.15kW)

Dear Valued customers,

Thank you for your trusting in Tsurumi products. We are writing to inform you of an important change regarding the production of below models:

Model	New Production site
40PUA2.15S-55 220-240V	Taiwan
40PUA2.15-54 380-415V	Taiwan
40PU2.15S-55 220-240V	Taiwan
40PU2.15-54 380-415V	Taiwan
50PUMA2.15S-53 220-240V	Taiwan

As part of our ongoing commitment to providing the highest quality products and optimizing our operations, we would like to inform the change the production site of our above models from Japan to Taiwan. This change is in line with our company's vision and aims to ensure the long-term sustainability and competitiveness of our business.

We understand that the origin of our products holds importance to many of our valued customers. We want to assure you that while the production site has changed, our Tsurumi products' high-quality remains unwavering and strictly follow the Tsurumi standard.

Thank you for your continued trust in our brand. We remain committed to providing you with exceptional products and service.
